Besides celebrities like **Jay-Z** and **Beyonce** -who were spotted during *Art Basel Week* shopping around for new artwork to showcase at their new TriBeCa home- other less than famous artists were also spotted at their booths and throughout the dozen of satellite fairs that successfully concluded another active season for *Art Basel Miami Beach*.

Captured by its lens, **WUM** also includes images of a group of Miami-based artists that were present at the **inauguration** of *Celebrity Cruises* "Reflection," the first art-related event that kicked off *Art Basel Week 2012*.
